VAWA _ Violence Against Women Act

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013, which amended the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). The Statute requires institutions to include this new information in the Annual Security Report as of October 1, 2014. Until final regulations are published and effective, institutions must make a good-faith effort to comply with the statutory provisions as written. Institutions should use the statute as the basis for revising or developing policies, procedures and programs in advance of the ASR that must be issued by October 1, 2014.

The VAWA amended the Clery Act to require institutions to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking and to include certain policies, procedures and programs pertaining to these incidents in their annual security reports.

The statute requires institutions to specify in their ASRs the procedures that they will follow once an incident of domestic violence, dating violence, sexual assault or stalking has been reported, including a statement of
